SESHADRIPURAM EDUCATIONAL TRUST

Since the time of its inception in 1930 and through the process of its evolution, the soul essence of Seshadripuram Educational Trust has always been **"TO EDUCATE, TO EMPOWER, TO ENRICH"**. Following in the footsteps of its own legacy, Seshadripuram Educational Trust imparts academic knowledge and inculcates value education to its students. It stands tall as a premier educational institution and, with its dynamic attitude, has been growing from strength to strength over the decades. Located in the heart of the Garden City, Bengaluru, **Seshadripuram Educational Trust runs 34 educational institutions ranging from Kindergarten to Ph.D courses comprising of 9 Schools, 8 Pre-University Colleges, 7 Degree Colleges, 4 Post Graduate Colleges, 1 Global Academy, 1 Engineering College, 1 Law College, 2 Research Centres and 2 other institutions.**

Over the years, it has earned the reputation of being one of the leading institutions of Karnataka. With multiple campuses located across prime locations of the city and within the state, it has joint programmes with universities overseas too. Seshadripuram Educational Trust has established itself as a renowned group of multidisciplinary institutions. It has expanded in terms of its number of educational institutions, extended its spectrum of subjects, extended its existence in more campuses and excelled in various parameters towards providing quality education. With its state-of-the-art facilities in all departments, extensive in-house amenities within the college premises and dedicated team of faculty, the Group has been striving to fulfill their commitment in providing education to students from all strata of the society.

SCHOOL OF MANAGEMENT STUDIES

SCHOOL OF MANAGEMENT STUDIES is the flagship Management Institution under Seshadripuram Educational Trust. Since its inception in 2001, the institute has left no stone unturned to provide professional and quality education in the stream of management. As a result of our commitment to excellence, we have made an indelible mark on the corporate and academic world and thrive today as one of the best MBA Colleges in Bengaluru. Our endeavor is to prepare students with the requisite principles, skills and traits to meet the dynamic needs of the industry. The students are given education and training to make them a balanced individual in terms of emotional, intellectual and spiritual dimensions to achieve the highest goals of personal and organizational development. Innovation and Creativity is the key to our growth and all our resources are channelized towards achieving them.

Our students and teachers are change agents who trigger the thirst for knowledge and bring about new ideas and creative thought processes. Our MBA program will stretch the imagination and vision of the students and enhance their capabilities to appropriately fit into the dynamic and competitive business world. Students from all over the country seek admissions; making the classrooms lively, vibrant and open to cross-cultural learning environments. With focus on critical thinking, out-of-the-box learning and innovative teaching-learning practices, SIMS has become one of the favorite destinations among student community to study MBA in the city of Bengaluru. Students from all over the country are seeking admissions. Institution has provided very good placements and many students from other states also got opportunity in prestigious Multinational Companies.

Welcome Message

N. R. Panditharadhya, President

I am happy to extend a warm welcome to aspiring students to join our 91 year of Institutional Legacy built on the edifice of selflessness, powered by an iron will and commitment to serve mankind. Our institutions have been espousing the cause of needy sections of society in general, and of the under-privileged in particular. It is our wish that our long nurtured traditions must go hand in hand with contemporary ground realities and a modern rationale. The aim of all our institute is to benefit the student community and I am sure that MBA Program offered by SIMS will prove true to this aim.

Nadoja Dr. Wooday P. Krishna, Honorary General Secretary

Seshadripuram School of Management Studies is the flagship management institution under the aegis of Seshadripuram Educational Trust (SET) which has been a symbol of quality education accessible by people hailing from different social and economic strata, in the state of Karnataka for almost nine decades now. SIMS has upheld the highest standards of academic delivery to students while being adaptive to the dynamic higher education ecosystem of our country. In its two decades of operation, SIMS has produced the finest management graduates who are currently occupying prestigious positions in organizations across the world. Learning beyond classroom is a daily affair at SIMS where students are given opportunities to hone their management skills through active participation at seminars, workshops, conferences and skill development events across the country. Students are encouraged to work as part-time interns in industry throughout their MBA programme which gives them the problem solving and team building skills that the world is looking for, in management graduates today.

Dr. S. N. Venkatesh, Principal

Management Studies is a unique system of education structured on values and combines the tenets of academic excellence with corporate professionalism. The primary objective of education is to create dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and nation at large. We are committed to maintaining high academic standards and preparing our students to secure rewarding employment on graduation. At the same time we believe that students should develop as individuals, gaining in self-confidence and developing a sense of enterprise.

Dr. Vinay S, Director

Management education today has the challenge of matching the expectations of the ever - changing corporate world. We, at SIMS make sincere efforts to nurture budding Managers and Entrepreneurs with knowledge, skills and attitude. Industry-Academia collaboration is done on a continuous basis to blend the needs of the corporate world and curriculum of the program. SIMS aims for holistic development of students. Lot of gateways is created towards co-curricular and extra-curricular activities throughout their Program.

Our Associations

AIMA: The Department has an association with the AIMA and BMA. The All India Management Association (AIMA) is the apex body for management in India with over 38000 members and close to 6000 corporate /institutional members through 66 Local Management Associations affiliated to it. AIMA was formed over 60 years Established in 2019 under the guidelines of the Ministry of Education's Innovation Cell, the Department Incubation Cell promotes innovation, entrepreneurship, and startup development.

MBA Program is associated with the Karnataka Chapter of the National Institute of Personnel Management (NIPM), a leading professional body in Human Resource Management and Industrial Relations. Through this partnership, students participate in conferences, workshops, and industry events, with selected student representatives serving on NIPM student boards.

Department Membership with National Human Resource Development Network which is the National Apex body of professionals committed to promoting the HRD movement in the country and enhancing the capability of human resource professionals to compete globally and thereby creating value for society.

The Department has a membership with National Human Resource Development Network. The National HRD Network is the National Apex body of professionals committed to promoting the HRD movement in the country and enhancing the capability of human resource professionals to compete globally and thereby creating value for society.

MBA Department has a membership with IIMB Library where the faculty and students can visit the library and access the books, research papers, journals, etc. for research-oriented purposes.

Departmental Membership with National Digital Library of India (NDLI) Club, an initiative of the Ministry of Education, Government of India. Students can access a vast collection of free learning resources and participate in skill-development activities anytime, anywhere. The club regularly conducts workshops, competitions, and knowledge-sharing events to enhance learning beyond the classroom. These initiatives help students build professional skills and stay updated with emerging trends.

MBA Program has partnered with the Peenya Industrial Association (PIA) to provide students with valuable internship and industry exposure opportunities. Through this collaboration, students can engage with leading organizations and participate in industry-focused events. Located in Bengaluru, Peenya Industrial Area is one of South Asia's largest industrial hubs, housing over 5,000 industries. This association strengthens practical learning and industry-academia interaction.

The Department has its own Rotaract Club by the name of Rotaract Club of SIMS. Every activity will be initiated from the students under the guidance of the Parent Rotary Club. The Rotaract Club was installed with the intention of drawing a route map enabling every student to be a part of this community service.

MBA Program has association with Youth Red Cross Wing. The Youth Red Cross is a constituent of the Indian Red Cross Society (Karnataka). This is a group movement organized at the initial stages for students between 18 to 25 years of age. Variety of programmes are organized under the YRC Wing of MBA.

The Youth Hostels Association of India (YHA) is a charitable organisation, providing youth hostel accommodation in India. It is a member of the Hostelling International Federation. There are several hostel accommodations in different locations across the country.

School of Management gives a lot of encouragement for student research activities. Students are trained to collect information from various sources, do conduct ethical research. There is a dedicated timetable hour for research activities. Students are encouraged to publish research work based on their internship/ Training Project and Master's Thesis Work in National and International Journals/ Conferences.

Seshadripuram Journal of Social Sciences (SJSS) bearing ISSN Number : 2581 -6748 is a Publication from Seshadripuram Research Foundation that aims to publish high quality and original research papers that emphasize the issues relating to social sciences at national and global level.

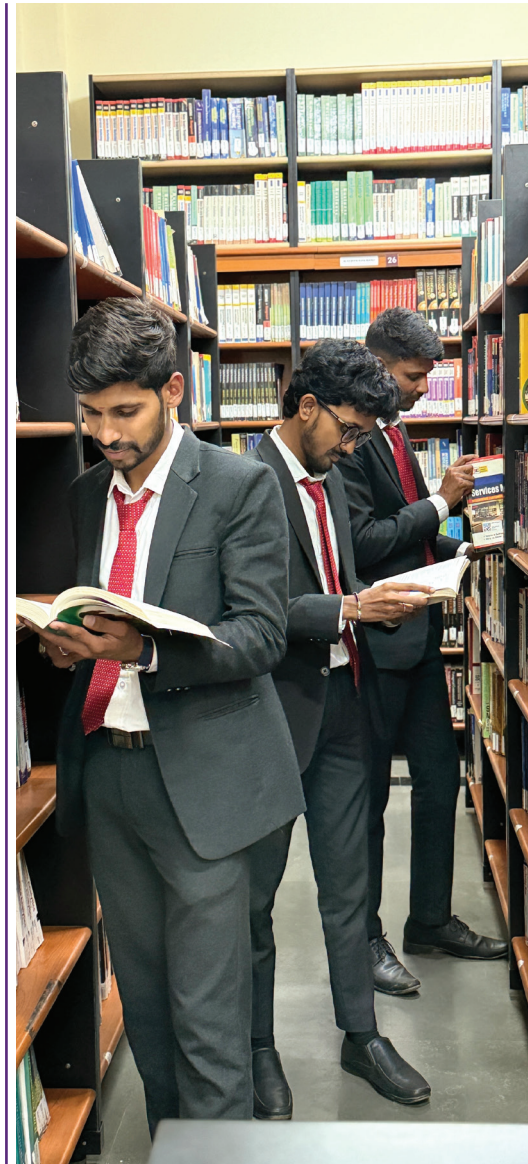

Training Project:

An internship for a period of four weeks immediately on completion of the second semester examination. The student is required to select Type of Internship and identify a problem area and come out with solutions to the problem. The Internship is categorised into The industry internship program shall carry 50 marks of which the internship report shall carry 25 marks and 25 marks for viva voce.

Master Thesis:

Duration of the Master Thesis - 45 Days

Master Thesis report applying research methodology under the supervision of a Faculty guide and Industry expert. The Master Thesis shall be evaluated for 200 marks by two examiners There shall be viva voce examination for 50 marks on the Master Thesis.

Value Add Certification

The key highlight of value-added certificate programmes at SIMS is their integration into the regular academic timetable. Across all semesters, students are offered industry-relevant certification courses designed to enhance practical skills, employability, and career readiness in alignment with current market demands.

The Value Added Programmes Offered Include:

Business Communication

Enhances professional communication skills, including verbal, written, and presentation abilities essential for corporate success.

Digital Marketing (Meta Certified)

Covers social media marketing, advertising strategies, and campaign management using Meta platforms, equipping students with modern digital marketing skills.

Python for Analytics

Introduces Python programming for data analysis, visualization, and business insights, enabling students to work with real-world datasets.

Quantitative Aptitude

Develops analytical and problem-solving skills required for competitive exams, placements, and data-driven decision-making.

Advanced Excel

Provides in-depth knowledge of Excel tools such as pivot tables, dashboards, data analysis, and automation techniques widely used in business environments.

SAP FICO (Finance Specialization)

Offers hands-on training in SAP Financial Accounting and Controlling, preparing students for careers in finance, accounting, and ERP-based roles.

Programme Outcome

These certifications are designed to:

- Bridge the gap between academic learning and industry requirements
- Enhance technical and analytical competencies
- Improve employability and placement opportunities
- Prepare students for dynamic business environments

Internship

The Placement Cell is dedicated to assisting all companies affiliated with the college and utilizing the cell's services to conduct their internship drives during the internship season in a timely, hassle-free, prudent and mutually beneficial manner as well as to assist students in finding the best internships available. Students get exposure to corporate culture. They learn how the corporate system works, they get work experience, research experience, access to a variety of task and departments, create a professional network, secure good references, recommendations, transition to a permanent job, critical thinking, career- & self-development.

The Innovation Cell was Established in 2019 as per the norms of MOE'S Innovation Cell, Govt. of India. Innovation Cell will focus on creating complete eco system which will foster the culture of innovation of educational institutional from ideas generation to pre-incubation, incubation and graduating from the incubator as successful start-ups.

OBJECTIVES

- Psychometric Tests
- Skill Development Exercises
- Management Forum activities

SIMS provides comprehensive career **MAPPING and PLACEMENT** support to help students identify suitable career paths and achieve their professional goals. Through training, mentoring, industry interactions, and recruitment drives, students are equipped with the skills and opportunities needed for successful careers.

Clubs

As part of our MBA program, we provide a dynamic learning environment through regular seminars, conferences, and guest lectures that go beyond traditional classroom teaching. Our seminars are designed to encourage active participation, where students present topics, engage in discussions, and work on real-world case studies to build strong analytical and communication skills. We regularly organize and facilitate participation in conferences, giving students exposure to the latest industry trends, research opportunities, and valuable networking with academicians and industry leaders. In addition, our guest lecture series brings experienced professionals and subject experts to the campus, offering practical insights into real business challenges, leadership, and emerging market practices. Through these initiatives, we ensure that our students gain industry-relevant knowledge, develop confidence, and are well-prepared to meet professional demands.

Study Centre & Clubs

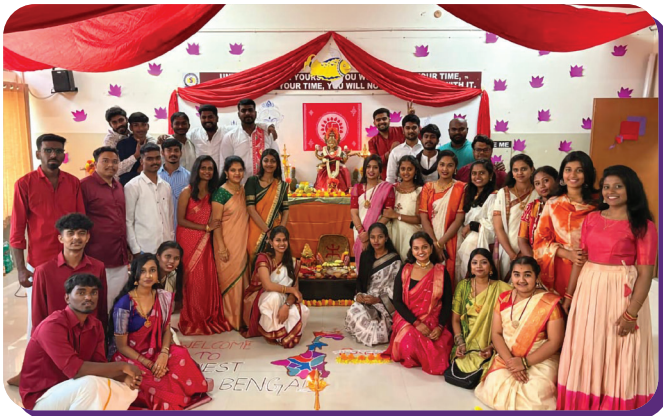

The School of Management Studies has established four important study centres to promote value-based education and holistic development among MBA students. These include the Vivekananda Study Centre, inspired by Swami Vivekananda, which focuses on personality development, leadership, and self-confidence. The Ambedkar Study Centre, based on the ideals of B. R. Ambedkar, emphasizes social justice, equality, and constitutional values, helping students understand ethical governance and inclusivity in management.

The Gandhi Study Centre, guided by the principles of Mahatma Gandhi, promotes truth, non-violence, and ethical leadership, which are essential in today's corporate environment. The Basava Study Centre, inspired by Basavanna, focuses on equality, dignity of labour, and social reform. Together, these four centres play a vital role in shaping MBA students into responsible, ethical, and socially aware leaders.

SAMPADA - Cultural Committee

Sampada – The Cultural Committee of our college, is the vibrant heart of campus life, fostering creativity and artistic expression among students. The committee encourages teamwork, leadership, and innovation while celebrating diversity and tradition. Sampada plays a pivotal role in enriching the overall student experience beyond academics.

Sports Club

The Sports Club of our college promotes physical fitness, teamwork, and a spirit of healthy competition among students. The club nurtures talent, discipline, and sportsmanship while encouraging active participation. It plays a vital role in building a balanced and energetic campus life.

Rotaract Club

The Rotaract Club of our college fosters a spirit of service, leadership, and social responsibility among students. It actively engages in community service initiatives, awareness campaigns, and outreach programs. The club provides opportunities to develop leadership skills while making a meaningful impact on society.

Library and information centre at School of Management Studies is a place of knowledge enhancement, which is designed in a way appropriate to meet the academic needs of the students and faculty. It provides a wide range of resources to its academic community. The library has a pool of academic resources such as Books, Magazines, Journals, Encyclopedia Britannica, Gale Cengage Learning Database, Journals Back Volumes, Academic and Research CDs/DVDs, Students Project Reports, and Question Bank. The library provides spacious seating arrangements and serene ambiance for learning. Trained and committed library staff is at the service of the academic community.

Unique Features of PG Library

The library follows an Open Access policy. Users can pick a book of your choice from the shelves and may refer to it in the library or borrow them. The library has a membership with other National Importance Institutional Libraries. The membership cards are available at the library circulation desk. The library maintains a good collection of journals and magazine archives in bound volumes.

The library has been using Drillbit anti plagiarism software to check similarity index. Knowledge is power, SIMS Library Associations is empowering access to knowledge offers learners an opportunity to discover the motivation and inspiration vital to making a positive contribution in not only their own lives, but the rest of the world. That's our library provides original and curated content, as well as the modern research tools that are crucial in connecting professional libraries to learning, and learners to libraries.

The library adapts Mycampuz Library Management System, which provides all the knowledge available through the library on any device from anywhere.

01

National Digital Library of India Club is initiative of Ministry of education (MOEs), Government of India. SIMS being member of NDLI Club can access a huge repository of free and open access learning resources from anywhere and anytime, either through desktop PC or laptop or tablet or mobile from National Digital Library of India.

02

Gale Cengage: Gale is a Cengage Company has partnered with libraries around the world to empower the discovery of knowledge and insights by all people, for all purposes.

02

DELNET has been established with the prime objective of promoting resource sharing among the libraries through the development of a network of libraries. It aims to collect, store, and disseminate information besides offering computerised services to users, to coordinate efforts for suitable collection development and also to reduce unnecessary duplication wherever possible. DELNET has been actively engaged with the compilation of various Union Catalogues of the resources available in member-libraries.

04

Sage is the world's leading independent academic and professional publisher. Driven by the belief that social and behavioral science has the power to improve society, we focus on publishing impactful research and enabling robust research methodology. We produce high quality educational resources that support instructors to prepare the citizens, policy makers, educators and researchers of the future

Student Testimonials

AFREEN SALEHA

Getting placed as a tax analyst at EY through SIMS placements feels like a dream turning into reality. This journey wasn't just about securing a job but about growing, learning, and believing in myself.

I'm truly thankful to the SIMS placement team and my mentors for constantly guiding and motivating me. The training sessions and support made all the difference in helping me step confidently into this new chapter.

Grateful for the journey, excited for what lies ahead.

GOVARDHAN V

I would like to express my heartfelt gratitude to Seshadripuram Institute of Management Studies for playing a vital role in my professional growth. I would also like to sincerely thank our respected Director, Dr. Vinay S., for his constant guidance and support throughout my MBA journey. The dedicated efforts of the faculty and the Training & Placement Cell helped me develop the necessary skills to succeed in a competitive environment. Their continuous guidance enabled me to secure a position at Société Générale. I am proud to be a part of SIMS and thankful for the strong foundation it has provided.

DEEPAK B H

I am proud to share that I secured a position as a Tax Analyst at Grant Thornton through my college. Before joining my MBA, I struggled with English communication, but with the support of my faculty and friends, I was able to improve my confidence and communication skills significantly. The Training and Placement Cell provided excellent guidance and preparation for interviews. Along with academics, the college also encouraged sports and extracurricular activities, making my overall experience enriching. I sincerely thank my college for shaping my career and personal growth.

PRIYANKA DESAI

I am truly grateful to my college for the support and opportunities provided throughout my MBA journey. Coming from a science background, I initially had my doubts, but the guidance from faculty and the placement cell helped me adapt and grow with confidence. **SIMS** exceeded my expectations when it comes to placements. The specialised placement cell consistently supported and guided us, which is how I landed an opportunity to join Ernst & Young (EY) as a Tax Analyst. I am grateful to SIMS for laying a strong foundation & helping me develop the confidence to achieve my career aspirations.
