

INDUSTRIAL VISIT REPORT

Industrial Visit to TVS Motorcycle Pvt. Ltd., Hosur

Date of Visit: 06/08/2026

Batch: MBA II Semester, Batch: 2025-2027

Students observed world-class manufacturing lines governed by Japanese TQM and TPM principles. The facility integrates automated guided vehicles (AGVs) and robotic arms working alongside humans to ensure precision and rapid cycle times. The industrial visit offered MBA students a practical blueprint for managing a massive manufacturing footprint. It bridged classroom concepts of operations management, vendor networks, and corporate strategy with real-world execution.
