**SECTION - C**

**Compulsory Question.**

(1×15=15)

**12. Case Study :**

A popular ayurvedic medical store owned and managed by a family in Chennai is facing a threat from competitors using e - commerce business. The store has a good reputation and branding and is in the business for the last 60 years. The existing business model of the ayurvedic medical store was doing good business.

Although successful over the years, but since recent years, the on - line business model initiated by the competitors has taken away many of its customers.

If you are hired as a Consultant to review and provide solutions to the company, how do you tackle this scenario?

**Questions :**

- a. How will the ayurvedic medical store overcome the on-line business competition?
- b. Should the existing ayurvedic store start the on-line store? If so, what models and value chain should the company follow?
- c. Do you recommend social media marketing? Justify with reasons.
